RAGING JEALOUSY?

Himeshiro sees Hanasaka closing in on Shikishima for a kiss. In truth, it was actually a prank played by the NewGen using their supernatural powers in order to make Shikishima, their Queen, close to Hanasaka. However, thinking that there's something strange happening to Hanasaka's body, Himeshiro becomes more conscious of Hanasaka and Shikishima's relationship.

Hanasaka Haru
Dreams of having a "school life" and "classmates" A Showa maniac Too innocent, thus weird

It's just so stubborn, that you can't even peel a speck of its supposed "ephemerality".

Now that you mention it, that is weird.

Himeshiro Sakurako
Hanasaka's bossy classmate Grieving for the country she leads the currents situation while hating the "old people"

The sakura tree on top of the mountain already shed all its leaves...

!

3

Shikishima Ouka
Hanasaka and Himeshiro's very taciturn classmate Extremely communication-impaired but lonely

There still seems to be a lot more going on in this town than I thought...

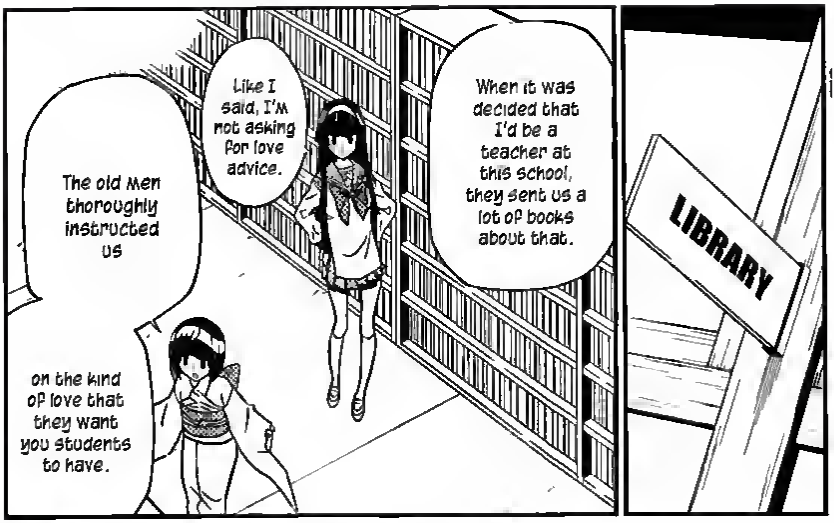
Anyway, we should get going. We'll be late.

Ah...

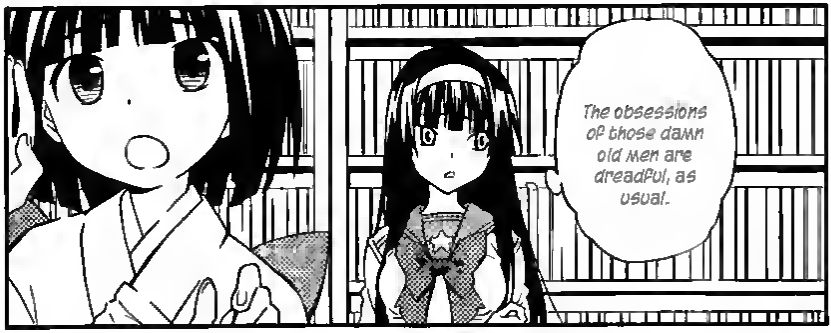
That's not what I wanted to talk about...

I can't talk to Hanasaka properly...
Tachibana-sensei, there's something I'd like to talk about...
I'm not here for a match.
Maybe another game of basketball!?
I didn't come here for sports.
Then what sports do you want to play?
Then what did you want to talk about?
Eh!? What is it~!?
You up for a rematch!?
I won't lose this time~!

How can I talk properly to a guy?
Eh!?
I can't talk properly to Hanasaka lately...
That's never happened before.
You're a teacher, so you should be able to give me advice!
5
Y-you're asking me for advice!?
Love advice!?
Who'd have thought the day would come that someone would come to me for love advice...?
キャー
I'm not asking for love advice.
It's like a dream...



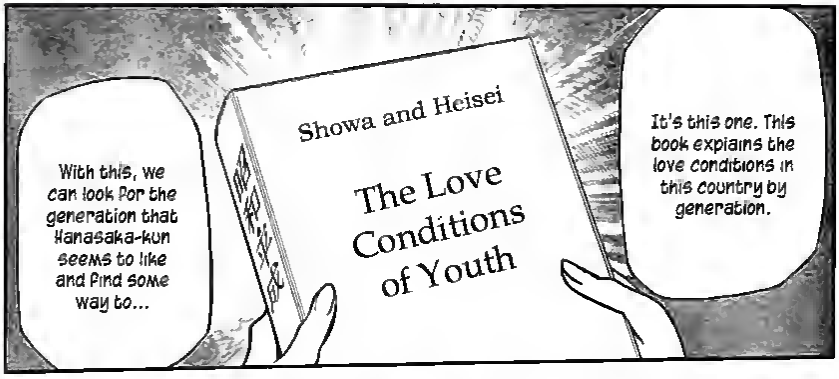
When it was decided that I'd be a teacher at this school, they sent us a lot of books about that.
LIBRARY
Like I said, I'm not asking for love advice.
The old men thoroughly instructed us
on the kind of love that they want you students to have.



The obsessions of those damn old men are dreadful, as usual.

6

Ah, here it is!



Showa and Heisei
The Love Conditions of Youth
With this, we can look for the generation that Hanasaka-kun seems to like and find some way to...
It's this one. This book explains the love conditions in this country by generation.

"Hopefully, you will be able to easily engage in sexual acts with the help of this book!!"
Hmm... This will be really useful...
Hm? "An introduction to the events that will significantly close the distance between man and woman..."

Ah, there it is!

Hanasaka-kun's interested in the Middle to late Showa era, so...
This really is a stupid school, through and through...

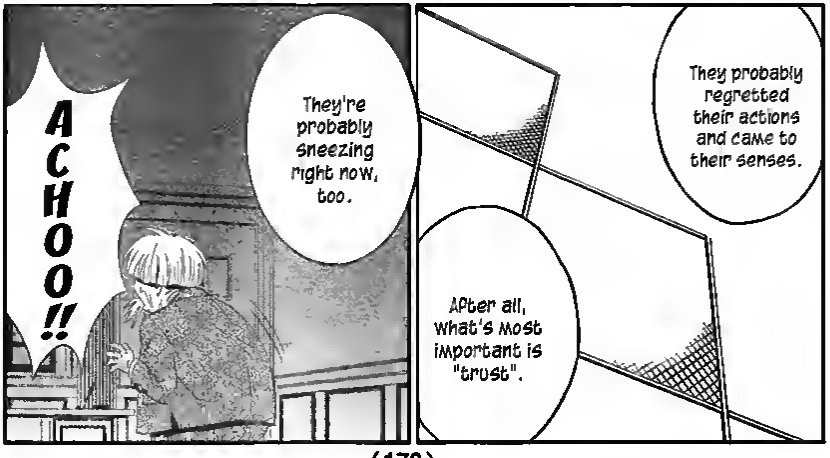
Yeah, yeah. I get it already.
But we're talking about that "drive", you know!? It's the pinnacle of trips and outings!
Drive!
Drive!
Drive!
Drive!
Hanasaka! Calm down for a bit, will you!?
Ah! Here they are, Himeshiro-san!!
Anyway, why do we have to wear this uniform even on the weekends?
8
Tadano-sensei!?
Thanks for waiting~!

NOD
Shikishima-san, are you sure you want to sit there?
Our destination is out of the range of the autodrive feature.
Seems that I'm the only one around here who can drive.
Come on, guys! Get on!!
Sensei! Hurry up and go!!
I'm right beside Hanasaka..
9
Hanasaka, I told you to calm down!!
Yeah!!
Alright, let's go!!

Ah, the fence!

Who knows~?
I wonder who removed it.

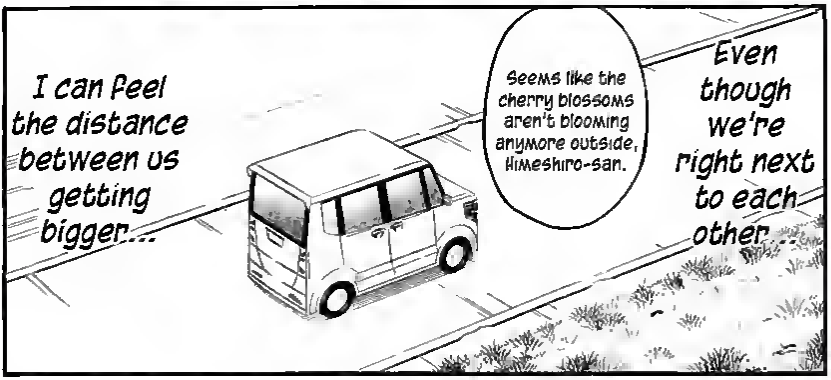
10



ACHOO!!
They're probably sneezing right now, too.
They probably regretted their actions and came to their senses.
After all, what's most important is "trust".

Drive? You mean that drive?
Isn't that just using a car to get to your destination?
Isn't the destination what's important?
For a drive, the drive itself is your purpose!
In extreme cases, you don't even need a destination!!
The confined space creates a sense of intimacy...!
And you can feel yourself becoming more daring than usual...!
A drive is the homerun king of dates!!
Homerun?

I still can't talk properly with Hanasaka ...
...Well, even if you say that... Like before ...



I can feel the distance between us getting bigger...
Seems like the cherry blossoms aren't blooming anymore outside, Himeshiro-san.
Even though we're right next to each other...

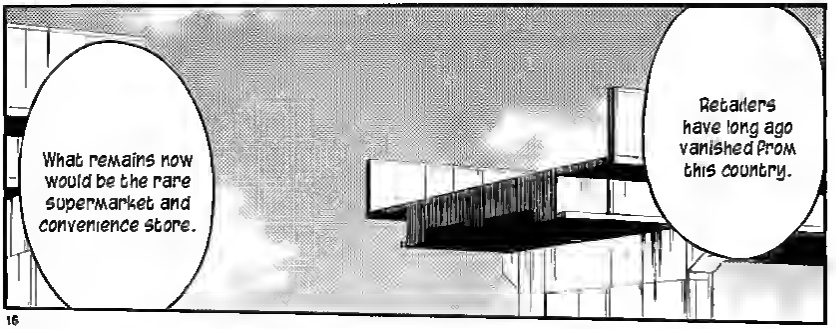
12

You're right! The flowers have fallen already!
Huh!? Nothing!
ドキッ
What's wrong, Himeshiro-san?

13
Ah! Look at that, Himeshiro-san!
I wonder how Shikishima-san thinks of him...?
After having Hanasaka do that to her

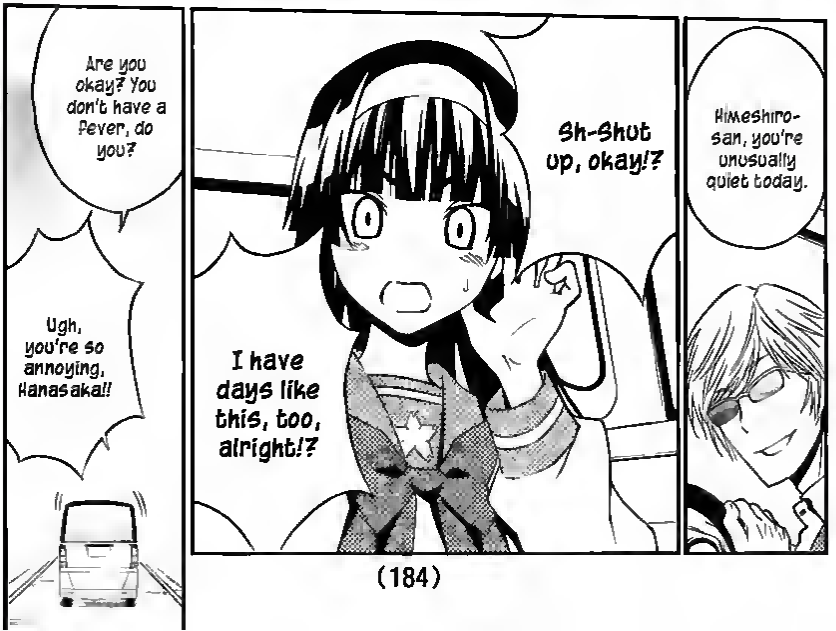
Hm... It seems to be a railway that was abandoned halfway through construction.
Did you know, Himeshiro-san? This country used to be the world's number one railway powerhouse!
There was actually a high-speed rail called the "bullet train" that runs throughout the entire country!
Even if it used to be like that in the past, it means nothing if the present is like this.

The transportation and internet industry served its purpose while it lasted.
The economy drastically fell because of low fertility, and the aging population was desperate.
That's because people nowadays don't travel anymore.



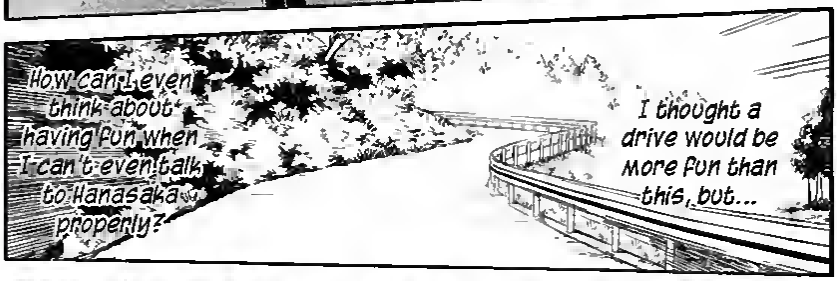
What remains now would be the rare supermarket and convenience store.
Retailers have long ago vanished from this country.

16



Are you okay? You don't have a fever, do you?
Sh-Shut up, okay!?
Himeshiro-san, you're unusually quiet today.
Ugh, you're so annoying, Hanasaka!!
I have days like this, too, alright!?

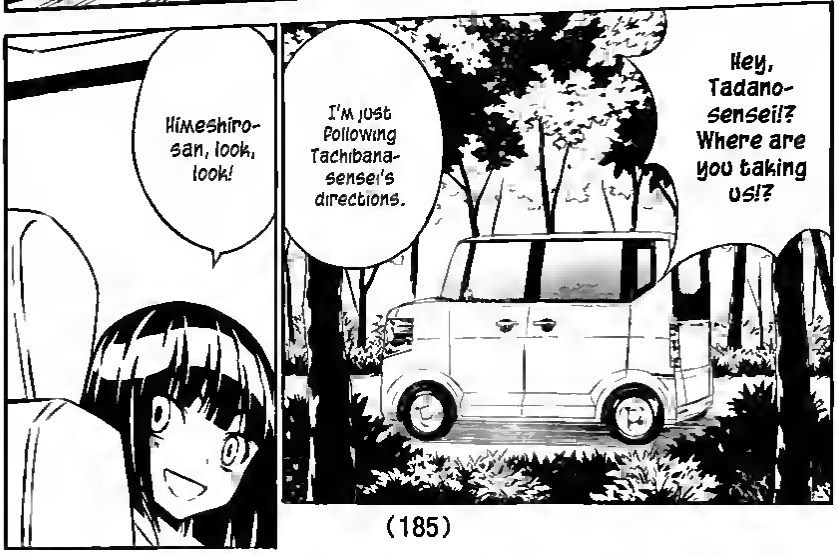
This really is the first time for me...
Even I can tell I'm acting strange today.



How can I even think about having fun when I can't even talk to Hanasaka properly?
I thought a drive would be more fun than this, but...

Going too deep into mountains?
...Wait, aren't we...

17



Himeshiro-san, look, look!
I'm just following Tachibana-sensei's directions.
Hey, Tadano-sensei!? Where are you taking us!?

We've arrived!

Come on, guys. Let's go in!
Is this an abandoned house?
The mountain sakura are still blooming around this area, huh?

Can't you tell by looking at this bath towel?
In? You mean, inside this house?

Not to mention, it's an open-air bath!
Our real destination is this... A natural hot springs!

It was actually a hot springs facility used by the locals before,
But those locals are gone now.

I stumbled into it by accident a few years ago. Since then, I come here every now and then.
Out of all my sanctuaries, this one's pretty special to me.

Weren't you the one who said we didn't need a destination?
There's no electricity here so we should get in while the sun's still out!!
Good grief...

Wow, hot springs! I love them! They rank number in this country's culture!
Tadano-sensei, I need a favor from you!
It'll be trouble if some weird people enter the hot springs while we're inside,
So could you please keep watch over the entrance until we get out?
Oh, Shikishima-san! Are you worried about me!?
21
Eh? You want me to take care of Cat while you're inside?
L-Leave it to me...
TUG
TUG

.....
Ah, okay.
Hanasaka-kun, boys go through the other door.
Wow~ It's surprisingly clean inside!
Sigh...
What's wrong? We're in a hot spring after all, so cheer up!
You still can't talk properly with Hanasaka-kun?

We used to be able to talk naturally just recently...
But when I get conscious about him, the words won't come...
Don't mind it, Himeshiro-san! The battle is just beginning!
パシャ

After all, this bath is special!
I'm sure something will happen before we go back!

Even if you say that...
Look!!
ガラッ

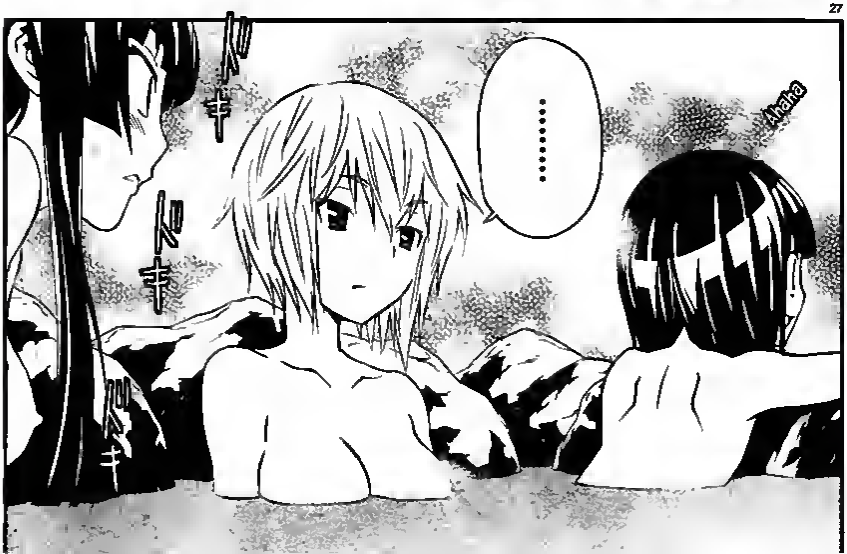
I told you so!!
Wow, this place really is special...!!

Mmm~
That feels
good~!
……

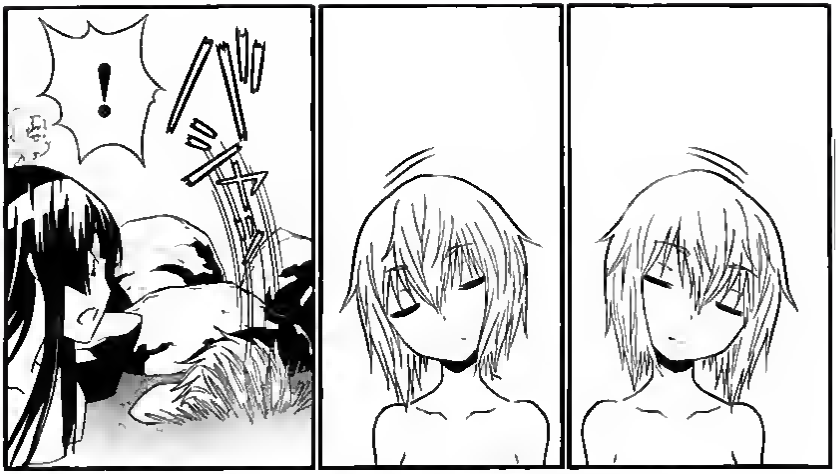
……

Hey,
Shikishima-
san.
ハッ
ハッ
ハッ

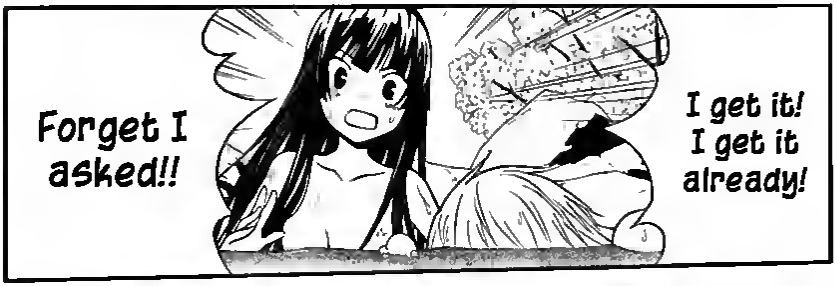
Shikishima-san... What do you think of Hanasaka?



Ahaha
.....



!



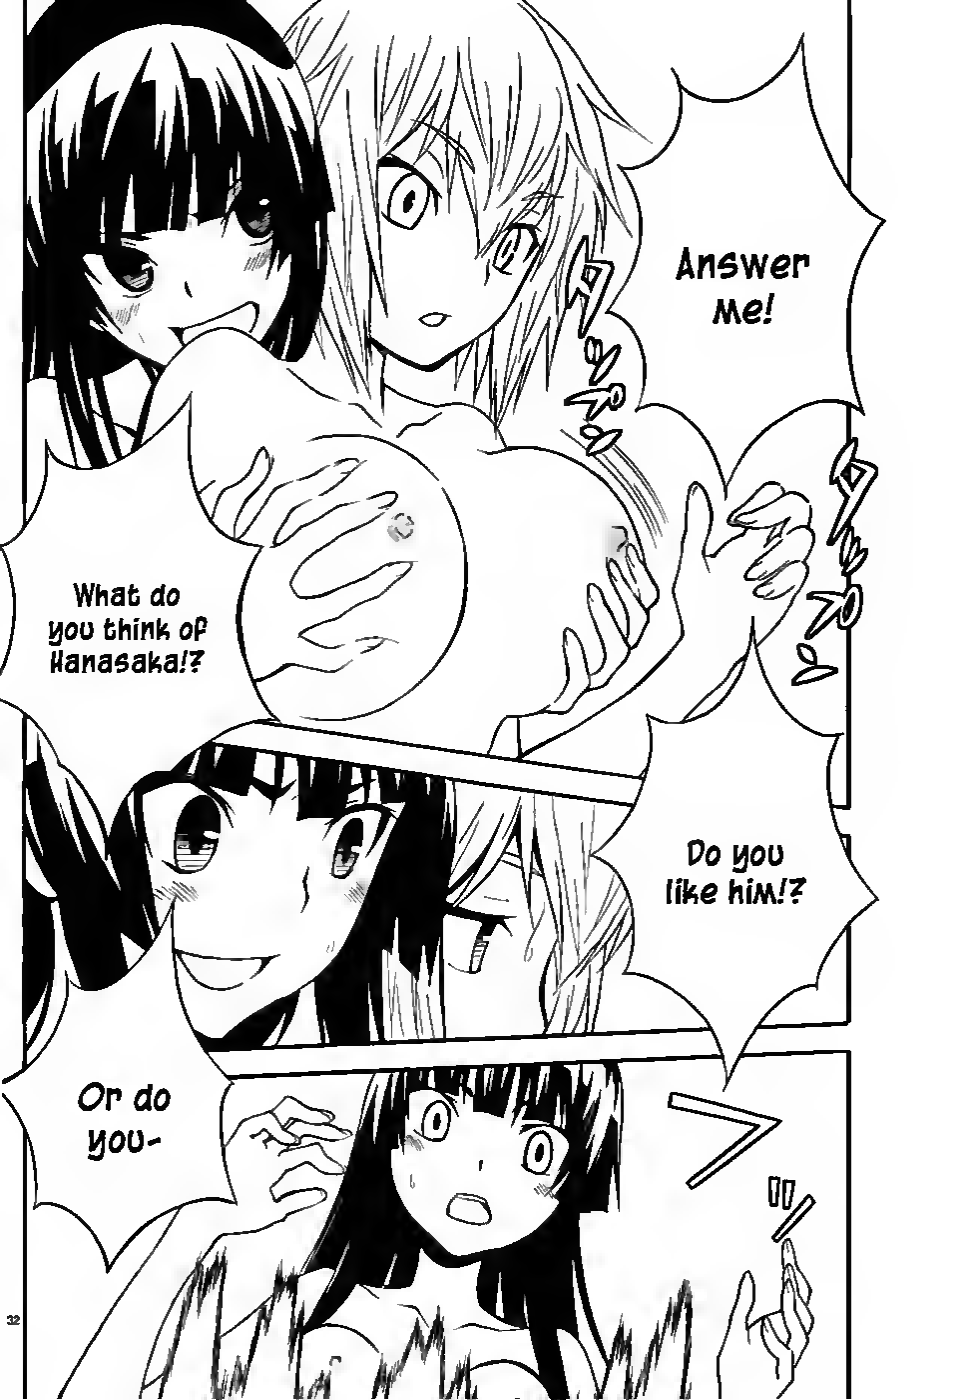
Forget I asked!!
I get it! I get it already!

It was stupid of me to ask...

...Yeah right...
ギロリ
ギクッ

You won't fool me anymore!
After all, I know now
That you're a very considerate person!!

Come on! What's your answer!?
So!? Tell me!
Tell me!
Ahaha! You sure are full of energy!



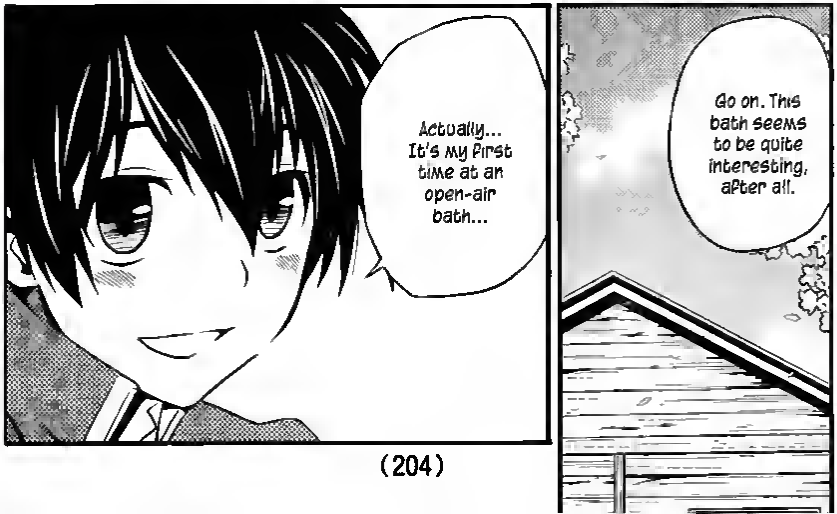
Answer me!
What do you think of Hanasaka!?
Do you like him!?
Or do you-

Hm?
Where did she go-
EEEEEEEEK!!
33
Wai-Shikishima-san!
Let me go!
Let me go, I say!

Hya!
Please! Stop-
How nice... This is probably what they call "youth", huh?
• No, it's not

Tadano-sensei.
Ha!? Hanasaka! Why are you still here?
It's a rare chance to bathe in an open-air bath. Go on.

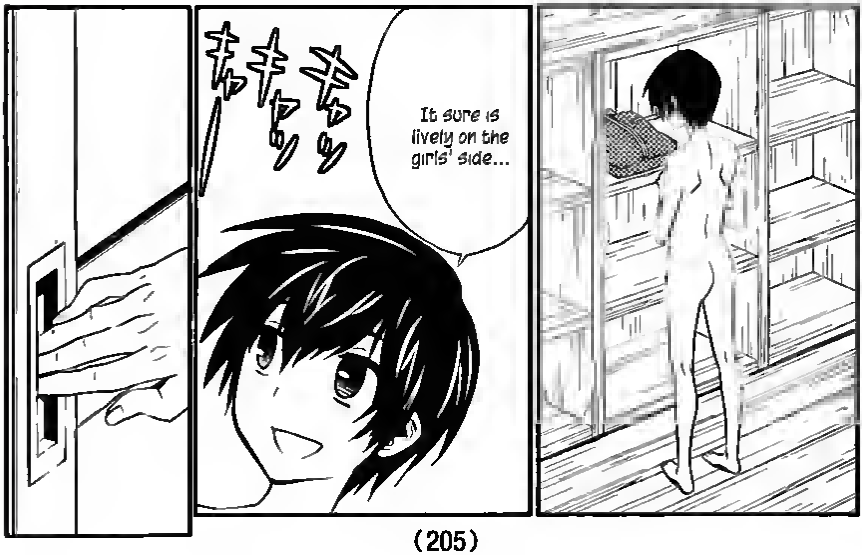
But... Going alone is boring.
And I feel kinda sorry for you Tadano-sensei...
Don't worry about me. When the girls come out, I'll go in as well.



Actually... It's my first time at an open-air bath...
Go on. This bath seems to be quite interesting, after all.

Still...
Tachibana-sensei can be quite reckless sometimes...
Do your best, Hanasaka.
Alright, I'll go on ahead!

37



It sure is lively on the girls' side...

Hanasaka-kun-
You're late-
ガラッ

THE HEARTBEATS THAT ACCELERATE... HANASAKA, HIMESHIRO AND YOU!
THIS SHOCKING DEVELOPMENT WILL BE CONTINUED IN THE NEXT CHAPTER!!
